

	Monday	
08:30-09:00		
09:00-09:30	Welcome	Eva van Gorsel, Wayne Meyer
09:30-10:00	Research Highlights OzFlux	Eva van Gorsel
10:00-10:30	Morning tea	
10:30-11:00	If you wait long enough...	Jason Beringer
11:00-11:30	If you wait long enough...	Jason Beringer
11:30-12:00	Air dryness -not soil dryness, limit GPP in a temperate Eucalypt forest (Monday 4)	Alexandre Renchon
12:00-12:30	Central Node Update	Caecilia, Ian, Peter
12:30-13:00	Lunch	
13:00-13:30	Lunch	
13:30-14:00		
14:00-14:30	a) OzFlux Governance: what does it look like in short term, in mid to long term b) appointment of future directors c) communications (internal)	
14:30-15:00	Earthwatch (Peter, Wayne)	
15:00-15:30	Afternoon tea	
15:30-16:00	a) International links: i) how to sustain links with FluxNet (SC) and ii) AsiaFlux and potential joint meeting 2017	
16:00-16:30	b) OzFlux workshop Conference c) Strategy for a sustainable future i) science strategy ii) funding strategy (external comms)	
16:30-17:00	d) i) Strategy around incoming and outgoing towers (formalize amount of funding, site decommissioning, facilitating longevity)	
17:00-17:30	e) Other discussion items for Tuesday and Wednesday	
17:30-18:30	Back to Calperum Station	
18:30-xx:xx	Dinner and Drinks	and further discussions

	Tuesday	
08:30-09:00	Mallee water use - living within your means	Wayne Meyer
09:00-09:30	Response of carbon flux to annual variation of rainfall in an arid woodland	Craig MacFarlane
09:30-10:00	Robson Creek - the first year of fluxes	Mike Lidell
10:00-10:30	Morning tea	
10:30-11:00	Photo-Degradation	James Cleverly
11:00-11:30	From photos to fluxes: making sense of remote sensing at Tumba	Will Woodgate
11:30-12:00	Profile systems, uncertainty and ongoing projects (maybe skype)	Ian McHugh
12:00-12:30	Management of wet eucalypt forests informed by Warra Flux Site	Tim Wardlaw
12:30-13:00	Lunch	
13:00-13:30	Central Node Update	Caecilia, Ian, Peter
13:30-14:00	a) Steering committee (volunteer commitments, roles such as comms, finance...) i) role ii) re-establishment	
	b) Technical Staff i) management ii) workload	
14:00-14:30	Earthwatch (Justin)	
14:30-15:00	Other discussion items for Wednesday	
15:00-15:30	Afternoon tea	
15:30-16:00	Capital Upgrade *calibration lab *instruments *calibration facilities *tower safety	
16:00-16:30	Under a new light	Georgia Koerber
16:30-17:00	Respiration	Qiaoqi SUN
17:00-17:30	UAVs	Ramesh Raja Segaran, Georgia Koerber
17:30-18:30	Back to Calperum Station	
18:30-xx:xx	Dinner and Drinks	and further discussions

Wednesday		
08:30-09:00		
09:00-09:30		
09:30-10:00		
10:00-10:30		
10:30-11:00		
11:00-11:30		
11:30-12:00		
12:00-12:30		
12:30-13:00	Lunch	
13:00-13:30	Lunch	
13:30-14:00	Sensor Calibration	
14:00-14:30		
14:30-15:00		
15:00-15:30	Afternoon tea	
15:30-16:00	Net ecosystem carbon exchange of a dry temperate eucalypt forest (skype)	Nina Hinko-Najera
16:00-16:30	Process contributions of Australian ecosystems to interannual variations in the carbon cycle (skype)	Vanessa Haverd
16:30-17:00	OzFlux network	Jason Beringer
17:00-17:30	Wrap up	Suzanne, James, Peter, Craig
17:30-18:30	Back to Calperum Station	
18:30-xx:xx	Dinner and Drinks	and further discussions
